IN RE: NATIONAL GRID'S PROPOSED FY 2014 ELECTRIC INFRASTRUCTURE,
SAFETY AND RELIABILITY PLAN - DOCKET NO. 4382

NOTICE OF PUBLIC HEARING

Pursuant to the provisions of Sections 39-1-1 and 39-3-11 of the General Laws, as amended, the Public Utilities Commission ("Commission") will conduct a hearing on **Friday, March 22, 2013 @ 9:30 A.M.** in Hearing Room A of the Public Utilities Commission, located at 89 Jefferson Boulevard, Warwick, Rhode Island.

In this docket, the Commission will examine the propriety of a filing by Narragansett Electric d/b/a National Grid seeking approval of a proposed Electric Infrastructure, Safety and Reliability Plan for FY 2014 ("Plan"). The Plan was submitted to comply with the provisions of R.I.G.L. §§39-1-27.7.1, which provides for an annual infrastructure, safety and reliability spending plan for each fiscal year and an annual rate reconciliation mechanism that includes a reconcilable allowance for the recovery related to capital investments and other spending undertaken pursuant to an annual pre-approved budget. The Plan would account for a total net incremental increase in revenues of approximately \$1.6 million that would be funded through implementation of proposed ISR factors effective April 1, 2013. If approved, the bill impact on an average residential customer using 500 kWh per month will result in a monthly increase of \$0.16, or 0.2 percent in the distribution rate. The Commission may approve different rates that may be higher or lower than those proposed by National Grid. The Commission may rule immediately at the conclusion of the hearing.

The filing may be examined at the Commission's office. The filing can also be accessed under the Commission's Docket Menu at www.ripuc.org, Docket No. 4382. Reference is made to Chapters 39-1, 39-3 and 42-35 of the Rhode Island General Laws.

The Public Utilities Commission is accessible to the handicapped. Individuals requesting interpreter services for the hearing impaired must notify the Commission Clerk's office at 780-2107, seventy-two hours in advance of hearing date.
