SUBJECT: Docket No. 4434
United Water Rhode Island, Inc.

On May 9, 2014, United Water Rhode Island, Inc. (United Water) submitted a compliance filing in the above referenced Docket. The Compliance filing reflected the Commission's May 7, 2014 Open Meeting decision whereby it made two adjustments to the revenue requirements included in the March 28, 2014 settlement agreement filed between the parties in this case. The Compliance filing included revised joint settlement schedules along with new tariffs to reflect the Commission's decision in this docket. The new tariffs reflect an effective date of May 13, 2014, which is the end of the suspension period in this docket.

The Division reviewed United Water's filing and found that the compliance rates accurately reflect the revenue requirements the commission authorized in this docket. The Division recommends the Commission approve United Water's new tariffs included in its May 9, 2014 compliance filing.
