Re: **Dkt. No. 4442** – In re: The Narragansett Electric Company d/b/a National Grid
Tariff Advice Filing for Customer-Owned Street and Areas Lighting Proposal

Thank you for your participation in today's pre-hearing conference. The following represents the dates agreed to today:

The parties agreed not to object to an extension of the date for decision from the Commission due to the desire to provide all parties with adequate time to conduct discovery and file positions as well as to accommodate the Commission's schedule for a hearing.

National Grid agreed to a two-week response period for data requests. However, all data requests shall be provided to National Grid no later than October 9, 2013 with a response deadline of October 23, 2013.

If the parties are able to agree on the proposed tariff prior to any of the following dates, they may agree to make a filing to that effect and request a waiver of the hearing and an earlier decision from the Commission.
