**RE: Docket 4483 – Wind Energy Development, LLC (WED) and ACP Land, LLC
Petition for Dispute Resolution Relating to Interconnection
National Grid’s Private Letter Ruling Compliance Filing
Status Update**

Dear Ms. Massaro:

As a follow-up to National Grid’s¹ June 8, 2015 filing in which the Company submitted a draft private letter ruling (PLR) request to the PUC, I am writing to update you on the status of the discussions the Company and Wind Energy Development, LLC (WED) have had concerning final language in the PLR relating to the following issues: (1) possible inclusion in the draft of the procedural history of this dispute at the PUC; (2) whether to include information regarding the right of a party to terminate the interconnection agreement; (3) the definition of “intertie”; (4) possible inclusion of a guidance from the United States Treasury; and (5) the presentation of information regarding past PLRs.

The Company and WED have discussed these issues since the Company’s June 8 filing and should be able to reach agreement on issues four and five. In addition, the Company has asked WED to provide language that will address its concerns with respect to issue two. The Company and WED disagree on issues one and three. In the next few days, the Company will file a revised PLR with the PUC that reflects the final outcome of these outstanding issues.

Thank you for your attention to this matter. If you have any questions, please contact me at 781-907-2121.

Very truly yours,

Raquel J. Webster
