WHEREAS, After examination, the PUC is of the opinion that the application is proper, reasonable, and in compliance with the RES Regulations, and hereby grants the Company certification as an eligible renewable energy resource pursuant to R.I. Gen Laws §39-26-1; and

WHEREAS, The PUC's determination in this docket is based on the information submitted by the Company and the PUC may reverse its ruling or revoke the Company's certification if any material information provided by the Company proves to be false or misleading.

Accordingly, it is

(21941) ORDERED:

1) The North Kingstown Solar 1 Generation Unit, meets the requirements for eligibility as a New, Solar Renewable Energy Resource with its 0.495 MW, Grid-Connected Generation Unit having a Commercial Operation Date expected in late June 2015 and located in North Kingstown, Rhode Island.

2) As a Generation Unit which has not yet achieved Commercial Operation, eligibility is granted with a conditional requirement that the Company provide the PUC with written documentation verifying Commercial Operation and that the Company provide the Generation Unit's NEPOOL-GIS Asset Identification Number when assigned by NEPOOL following achievement of Commercial Operation.

3) Following receipt from the Company of acceptable written documentation supporting the Generation Unit's Commercial Operation Date and provision of the NEPOOL-GIS asset identification number, PUC staff is hereby authorized to assign a unique Rhode Island Public Utilities PUC Eligible Renewable Energy Resource Facility

Certification Number for the Company's Generation Unit.

4) The facility's Renewable Energy Certificates ("RECs") become Rhode Island-eligible effective on the first day which the Rhode Island certification number is issued. All RECs associated with the production of eligible energy that are minted on or after the Effective Date are eligible for the RES.

5) Although the PUC will rely upon the NEPOOL GIS for verification of production of energy from the Company's Generation Unit certified as eligible in this Order, the Company will provide information and access as necessary to the PUC, or persons acting at its behest, to conduct audits or site visits to assist in verification of continued eligibility for and compliance with RI RES Certification at any time at the PUC's discretion.

6) The Company shall notify the PUC in the event of a change in the facility's eligibility status.

EFFECTIVE AT WARWICK, RHODE ISLAND ON JUNE 15, 2015
PURSUANT TO AN OPEN MEETING DECISION. WRITTEN ORDER ISSUED
JUNE 15, 2015.
