Pursuant to Report & Order number 22065, Providence Water is required to file an update to the PUC, and all parties of Docket 4571 within 30 days of the occurrence of an event or any other milestone identified, including any contained in construction contracts listed in our response to PUC data request 1-5.

Providence Water purchased the new COF on Monday, December 28, 2015, and therefore will proceed with the renovation of the facility. Providence Water has Board of Contract approval to advertise for the Construction Management At-Risk Contract (CMAR) for the new COF on 125 Dupont Drive. A mandatory pre-bid will be held on January 13, 2015 at 10:00 AM at the Dupont Drive Facility. Bids for this contract are expected to be opened on Monday, February 8, 2016. All information related to this bid can be found on the City of Providence website https://providenceri.iqm2.com/Citizens/Detail_Meeting.aspx?ID=2577.
