

> Hello, My Name is Tiffany, I Live in Thompson,
5 which is ~~4~~ miles from the Proposed Power Plant
Miles ~~from the proposed power plant~~ ^{we are} Thompson Residents who

love our town if the Power Plant goes
in it will most likely be a ~~town~~ empty
My mom told me if the
Power Plant goes in we will leave.

I would not like to leave my friends
and family, Most of all the town I

was raised in. Here are the plants that
are near the Proposed Power Plant

Red maple, Red oak, White oak, Black oak,
White Pine, Eastern Hemlock, Yellow, black
and gray birch also black gum that
is only the trees. Next is the

shrubs Sweet Pepper bush, Highbush blueberry
and low bush blueberry, witch hazel,
Mountain laurel, tall huckleberry and
maleberry. After that would be the

Animals that are Expected to occur
at the proposed site. These are

the birds Wild Turkey, Cooper's hawk,
Red tailed hawk, Great horned owl,

Barred owl, Downy wood pecker, Northern
Flicker, American crow, Tufted titmouse,

Carolina wren, House wren, Hermit
Thrush, Gray catbird, Cedar Waxwing,

Baltimore Oriole, Common Grackle,
American gold finch

Northern Redbacked salamander,
Northern two-lined salamander
and Gray tree frog that is
the Amphibians. Spotted turtle,

Northern Brown snake, Eastern Ribbon Snake
Black Rat Snake and Eastern Milk Snake.

Here are the mammals Northern Raccoon
Virginia Opossum, Striped Skunk,
Coyote, Red and Gray Fox, Fisher, Red squirrel
Northern Flying squirrel, Eastern Cottontail

Wood chuck, White-footed mouse and
Southern Redbacked vole. These animals
habitats are going to be destroyed
and are going to make the animals
move or die. Like the union workers

said they need to make money
to provide for their families but is
it worth risking Everyone's health?
