In re: Energy Facility Siting Board
Aquidneck Island Reliability Project

DOCKET No. 4614

TOWN OF PORTSMOUTH'S MOTION TO INTERVENE

Now comes the Town of Portsmouth, Rhode Island, and moves to intervene in this proceeding as an interested party pursuant to Rule 1.13 of the Public Utilities Commission Rules of Practice and Procedure.

The proposed Aquidneck Island Reliability Project will be carried out partly within the Town of Portsmouth, which will be directly affected in various ways as described in the application filed with the Energy Facility Siting Board. The Town's interests in the project are unique and are not adequately represented by the existing parties.

WHEREFORE, the Town of Portsmouth requests that it be allowed to intervene as a party.

TOWN OF PORTSMOUTH,
By its Attorney,
/s/ Terence J. Tierney
