RE: Hancock Wind, LLC – Docket No. 4653

Dear Mr. Kerr,

The Commission has completed its review of the supplemental documentation submitted on behalf of Hancock Wind, LLC on January 23, 2017 regarding the Hancock Wind, LLC's Commercial Operation Date. The supplied information received indicates that the facility began Commercial Operations on December 14, 2016.

Commission Staff has determined that the supplied documentation is acceptable, and as authorized in Commission Order No. 22613 in Docket No. 4653, Commission Staff has assigned to the Hancock Wind, LLC facility the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-4653-N17. Renewable Energy Certificates associated with the production of energy from the Hancock Wind, LLC facility, which are minted on or after January 23, 2017, are eligible for the Rhode Island Renewable Energy Standard.

I can be reached at (401) 780-2107 should you have any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink that reads "Luly E. Massaro".

Luly E. Massaro
Commission Clerk
