> RE: Docket 4692 - Standard Offer Service Procurement Plan Summary of Final Bids and Request for Confidential Treatment

Dear Ms. Massaro:

Pursuant to Rule 1.2(g) of the Rhode Island Public Utilities Commission's (PUC) Rules of Practice and Procedure, I have enclosed ten (10) copies of a redacted Summary of Bids of the request for proposal (RFP) process for Standard Offer Service in Rhode Island. The Narragansett Electric Company d/b/a National Grid (National Grid or the Company) conducted the RFP pursuant to its Standard Offer Service Procurement Plan (SOS Plan), which the PUC approved on March 30, 2017 in Docket No. 4692. As part of the SOS Plan, National Grid committed to file with the PUC a summary of the initial and final bids it received in the RFP.

National Grid respectfully requests confidential and privileged treatment of the unredacted version of Attachment 1 described below. Attachment 1 contains commercially sensitive market information, the disclosure of which could affect the balance of wholesale markets and National Grid's ability to negotiate competitive terms with its wholesale electric suppliers. Therefore, the Company requests that this letter serve as the Company's request for confidential treatment pursuant to PUC Rule 1.2(g), and that the PUC grant protection from public disclosure of the unredacted version of Attachment 1. National Grid also hereby requests that, pending entry of that finding, the PUC preliminarily grant National Grid's request for confidential treatment pursuant to Rule 1.2(g)(2).

In compliance with Rule 1.2(g), National Grid has enclosed one complete unredacted copy of the confidential documents in a sealed envelope marked "Contains Privileged and Confidential Materials – Do Not Release." Copies of the confidential, unredacted documents have also been provided to Steve Scialabba of the Rhode Island Division of Public Utilities and Carriers.
