MEMORANDUM

To: Docket No. 4770 Service List
From: Cindy Wilson-Frias, Chief of Legal Services
Date: June 27, 2020
Re: Docket No. 4770 – The Narragansett Electric Company d/b/a National Grid Electric and Gas Distribution Rate Filing - Rate Year 3 (Electric)

PROCEDURAL SCHEDULE

Discovery responses are due within 10 days of issuance. The Division should advise the Company immediately upon identification of any issues it encounters during its review.

07/14/2020 – Deadline for intervenors to file if the party identifies any reason why the proposed Rate Year 3 revenue requirement and/or rates are inconsistent with the approved Amended Settlement. Any memoranda or testimony shall identify the issue, explain the deficiency with reference to the Amended Settlement, and propose a remedy.

07/28/2020 – Deadline for the Division to submit a recommendation

08/07/2020 – Deadline for National Grid to file a response to any intervenor filing or Division recommendation

TBA Week of August 17, 2020 – Open Meeting decision unless the matter becomes contested (if that happens, a hearing will be noticed on July 30, 2020 for a date during the week of August 17, 2020 with an Open Meeting decision to follow)

09/01/2020 – Effective date of new rates
