

Docket No. 4780
Twelfth Set of Data Requests of the
Division of Public Utilities and Carriers to National Grid
March 19, 2018

12-1. Referring to PST-1, Bates page 58, regarding the PI Historian:

- a. Is the PI Historian currently being used by the Company or any of its affiliates in some form?
- b. If the answer to (a) was yes, please identify where and at which facilities, and further explain how the PI Historian is being used.
- c. If the answer to (a) was yes, please describe the additional plans for use of the PI Historian and the facilities that will benefit.
- d. If the PI Historian is not currently being used by the Company, please explain why not.
