MEMORANDUM

To: Docket No. 4808 Service List
From: Cynthia G. Wilson-Frias, Chief of Legal Services
Date: November 29, 2018
Re: Docket No. 4808 – Review of The Narragansett Electric Company d/b/a National Grid’s revenue requirement under R.I. Gen. Laws § 39-3-11 in light of The Tax Cuts & Jobs Act

Third Procedural Schedule

On November 26, 2018, the PUC was advised that this matter has been settled in principle and that National Grid is in the process of preparing a written settlement agreement. National Grid anticipates circulating a settlement to the parties for their review in approximately two weeks. The Division requested additional time to review the proposed settlement and file briefs. The request was granted today. The following represents the revised schedule.

The briefing question topic is to address the legal authority of the Public Utilities Commission to order refunds of any amount associated with the reduction of the federal corporate income tax for the period January 2018 through August 31, 2018.

10/25/2018 National Grid’s Brief due
01/09/2019 Deadline to file settlement
01/16/2019 Division, OER and Intervenor Briefs due (if no settlement filed)
01/31/2019 National Grid’s Reply Brief due (if no settlement filed)

PUC will rule on the legal issues and set a further schedule based on the ruling.
