Ms. Luly Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect February 28, 2019, tariff material consisting of:

PUC RI No. 22

Section	Revision of Pages	Original of Pages
8	8	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes to withdraw the following Inter-State and Intra-State services in wire centers where Verizon intends to migrate its network to all fiber and retire its copper network.

- ISDN Basic Service with Digital Centrex Service

Additionally, Verizon RI proposes to grandfather the following features:

- Intellipath Digital Centrex and Digital Centrex Plus Services
 - – Proprietary Telephone Set Programmable Features

Verizon is working with the customers to find alternative solutions. Listed below are some of the alternative services:

- Fiber-based voice services
- Fios Internet Service
- Switched Ethernet Service
- Private Internet Protocol Service
- DS1 Service
- Machine-to-Machine Services through Verizon or Verizon Partner Program

Verizon representatives will continue to work with each of the customers impacted to determine the best solution to meet their needs prior to service withdrawal. Verizon plans to notify the customers ninety, sixty and then again thirty days prior to the withdrawal date via direct mail.

If you have any questions regarding this filing, please contact me at 857-415-5161.

Respectfully submitted,

Christopher Bean
