MEMORANDUM

To: Energy Efficiency Plan for 2020 Service Lists
From: John R. Harrington, Senior Legal Counsel
Date: October 3, 2019
Re: Energy Efficiency Plan for 2020 Procedural Schedule

Procedural Schedule

The following represents the Procedural Schedule for the Energy Efficiency Plan for 2020. Please note that there are two schedules set out below. The first schedule will be followed in the event that there is no settlement; while the second schedule will be followed if there is a settlement signed by all parties.

No Settlement

10/15/2019 Deadline to Intervene (date of filing)
10/21/2019 Objections to Motions to Intervene (if no objection, intervention effective Oct. 22, 2019)
10/22/2019 Discovery should be issued by parties no later than Oct. 22, 2019, with a 7-day response period.
11/5/2019 Pre-filed testimony due.
11/15/2019 Rebuttal testimony by National Grid
11/19/2019 Second round of discovery and PUC discovery with responses to all discovery due by November 26, 2019
12/9/2019 –
12/10/2019 Hearings (9:30am)

Settlement signed by all parties

Discovery will have a 10-day response time for any data requests.
