

Providence Water Docket 4994

Division of Public Utilities
Data Request – Set 7
April 16, 2020

DIV 7-1: Reference Schedule HJS-15B. Please explain why wholesale customers should not be assigned Water Quality and Testing NRW.

RESPONSE:

Please see response to DIV 4-1. Upon further review, these volumes relate to maintaining the water quality of all customers. Accordingly, a portion of these volumes should be assigned to wholesale customers. This will be incorporated in Harold Smith's rebuttal testimony.

Providence Water Docket 4994

Division of Public Utilities
Data Request – Set 7
April 16, 2020

DIV 7-2: Please provide a schedule which shows the allocated cost of service for each retail class and revenues at proposed FY2021 rates.

RESPONSE:

Please see Schedule HJS-23 in Harold Smith's Direct testimony.

Providence Water Docket 4994

Division of Public Utilities Data Request – Set 7 April 16, 2020

DIV 7-3: Reference Schedule HJS-21B. Please explain where the \$504,206 shift in hydrant costs to retail volumes can be found in developing volume charges in the file “Excel DIV-1-1 and 1-2 Workpapers and Schedules.xlsm.”

RESPONSE:

This shift is shown on Schedule HJS-19. In the file “Excel DIV-1-1 and 1-2 Workpapers and Schedules.xlsm” it can be found on the worksheet entitled “[RD] HJS-19 Volume” in cells D37 through F37.
