Maggie:

There was a discussion yesterday regarding the title to 552 Academy Avenue. This issue was examined in previous rate cases. Nevertheless, to supplement the record in this docket, I am attaching the following:

1. The deed conveying the property from Studley Land Company to the City of Providence in 1949, and
2. The deed conveying the property from the City of Providence to the Providence Public Buildings Authority in 2010.

The Providence Water Supply Board has never owned this property

Thanks.
