Re: Dkt. 5033

Dear Ms. Massaro,

The Division of Public Utilities and Carriers has reviewed the Petition of Truconnect Communications, Inc. for Designation as an Eligible Telecommunications Carrier in the State of Rhode Island for compliance with federal law as well as the Commission's Rules and Regulations Governing the Certification and Verification Procedures for Telecommunications Carriers Eligible to Receive Payments from the Federal Universal Service Fund - 810-RICR-20-00-3. Based on the Division's review and subject to the approval by the Commission of Truconnect's concurrently filed Class VI carrier application, the Division recommends that the Commission approve the petition.

Very truly yours,
