Ms. Luly Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect November 30, 2020, tariff material consisting of:

PUC RI No. 15

Part/Section	Revision of Pages	Original of Pages
D/1	1 and 3	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes to withdraw the following services from the tariff in wirecenters where Verizon continues to migrate its network to all fiber and retire its copper network. The RI PUC previously allowed the withdrawal of these same products in other wire centers where Verizon is migrating to an all fiber network.

- Foreign Exchange Service and Foreign Zone Service – Residential Customers
- Foreign Central Office Service – Residential Customers
- ISDN Basic Service - Residential

Verizon is working with the customers to find alternative services to meet the individual customer’s needs. Listed below are some of the alternative services:

- Fiber-based voice services
- Fios Internet Service
- Switched Ethernet Service
- Private Internet Protocol Service
- DS1 Service
- Machine-to-Machine Services through Verizon or Verizon Partner Program
- LTE

Verizon representatives will continue to work with each of the customers impacted to determine the best solution to meet their needs prior to service withdrawal. Verizon plans to notify the customers ninety and forty-five days prior to the withdrawal date via direct mail. Copies of the customer notifications are attached.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'C. Bean', is positioned above the printed name.
