Dear Mr. Franklin,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on May 3 and May 6, 2021 on behalf of the Cassadaga Wind, LLC Generation Unit. The documentation received indicates the facility began Commercial Operation on April 30, 2021 and the facility has been assigned the NEPOOL-GIS Asset Identification Number IMP162065.

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 24021. Commission Staff has assigned to the Cassadaga Wind, LLC Generation Unit the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-5116-N21. Renewable Energy Certificates associated with the production of energy from the Cassadaga Wind, LLC, which are minted on or after May 6, 2021 are eligible for the Rhode Island Renewable Energy Standard.

I can be reached at (401) 780-2107 should you have any questions regarding this matter.

Sincerely,
