RIPUC Docket No. 5156
In Re: Residential Assistance Recovery 2021 Filing
Responses to the Commission's Second Set of Data Requests
Issued on June 21, 2021

PUC 2-1

Request:

Referencing National Grid's Response to PUC 1-1 and 1-2, please explain the reason for the error in the number of accounts reported in Schedule DEG-1, page 5.

Response:

In responding to PUC 1-1 and PUC 1-2, the Company identified an error in the number of accounts reported in Schedule DEG-1, page 5. The Company overstated the number of accounts reported in Schedule DEG-1, page 5, in error, by counting the number of processed AMP credits rather than counting the number of unique accounts in developing the pivot table in Excel. For example, if one account received an AMP credit in every month of CY 2020, the Company reflected 12 accounts in Schedule DEG-1, page 5, instead of one account.
