Re: A&R Marine Corp.  
Application to the Division of Public Utilities and Carriers

Dear Ms. Massaro,

At the request of Stephen Antaya, Vice President of Antaya Technologies Corp., I would like to confirm to you that Antaya Technologies Corp. presently has available a low seven-figure Line of Credit available and is in good standing. All business assets of Antaya Technologies Corp secure this Line of Credit.

The Company maintains both checking and savings accounts (combined moderate six-figure average balances) and all accounts have been handled in a satisfactory manner.

I would also state that Antaya Technologies Corp has had a long and satisfactory relationship with Bank of America since 1998 and is considered one of Bank of America's most highly valued customers.

We look forward to assisting in Stephen's new project and his application to provide ferry service.

Should you need further assistance, please do not hesitate to call me at (401) 278-3999.

Sincerely,

John F. Quinlan  
Senior Vice President
