SUPPLEMENTAL STATEMENT OF THE TOWN OF NEW SHOREHAM

The Town of New Shoreham (the "Town") hereby files the within supplemental statement.

The Rhode Island Fast Ferry (the "Fast Ferry") plans to deliver passengers to Block Island. These passengers will spend time in the Town and appropriate accommodations must be provided. In addition, Town residents and visitors will be consumers who will be served by the applicant. Based on the foregoing and for the other reasons referenced in the Town's Motion to Intervene, the Town has been accorded intervener status in this proceeding. In the Town's Motion to Intervene, the Town represented that the Town was in the process of conducting a preliminary review of the Fast Ferry's application and that the Town council would be meeting to vote on the position to be advanced in this proceeding.

On September 18, 2013, the Town Council met to consider and act upon the position that the Town would advance in this proceeding. Prior to voting, Charles Donadio, the president of The Rhode Island Fast Ferry, made a presentation to the council. At that time, Mr. Donadio

represented on more than one occasion to the council that if the council voted not to support the

Fast Ferry's petition, he would not fight the Town and would not move forward with the petition

pending before the Public Utilities Commission.

On September 18, 2013, the Town Council voted not to support the Fast Ferry petition.

The Town therefore requests that Mr. Donadio abide by the representations which he

made to the Town council and that the Fast Ferry withdraw this petition.

Respectfully submitted,
TOWN OF NEW SHORHAM
By its attorneys,
