DIVISION OF PUBLIC UTILITIES AND CARRIERS  
89 JEFFERSON BOULEVARD  
WARWICK, RHODE ISLAND 02888**

IN RE: Narragansett Bay Commission :  
Application For Authority to Incur Debt : Docket No. D-15-20

**ORDER**

Whereas: On May 22, 2015, the Narragansett Bay Commission (“NBC”), One Service Road, Providence, Rhode Island, filed an application with the Rhode Island Division of Public Utilities and Carriers (“Division”) seeking approval to issue long-term debt for a Rhode Island Clean Water Finance Agency (“RICWFA”) borrowing in an amount not to exceed \$41,753,500. The application was filed in accordance with the requirements contained in Section 39-3-15 of the Rhode Island General Laws.

Whereas: In response to the application filing, the Division conducted a duly-noticed public hearing on June 24, 2015. The hearing was conducted in the Division’s hearing room, located at 89 Jefferson Boulevard in Warwick.

Whereas: Predicated on a thorough examination of the record, the Division found that the NBC’s application seeking approval to issue long-term debt for a RICWFA borrowing, in an amount not to exceed \$41,753,500, was reasonable and in the best interest of NBC’s ratepayers. The Division

memorialized its approval in Report and Order No. 21956, issued on June 29, 2015, which shall be incorporated by reference herewith.

Whereas: Subsequently, on June 30, 2015, the NBC filed a Motion For Relief From Order, pursuant to Rule 31 of the Division's Rules of Practice and Procedure. In its motion, NBC prays that the Division amend page 3, footnote 4, to include the following language:

"The Commission confirmed its June 17, 2015 approval of NBC's rate filing in Docket 4562 at its June 29, 2015 Open Meeting."

Thus, the full footnote would read:

"Id., p.3 and Giebink Exhibit KG-1 and hearing transcript. The Commission confirmed its June 17, 2015 approval of NBC's rate filing in Docket 4562 at its June 29, 2015 Open Meeting."

NBC indicates that it requires this amendment due to loan documentation requirements of the RICWFA. The NBC also represents that the Division's Advocacy Section, a party in this docket, "has no objection to this Motion."

Whereas: In view of the RICWFA requirements identified in the instant motion, the Division has no objection to amending Order No. 21956 as requested.

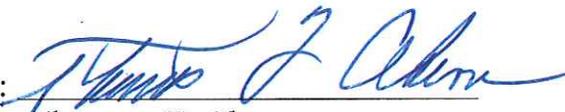

Now, therefore, it is

(21965) ORDERED:

1. That Report and Order No. 21956 is hereby incorporated by reference and included as part of this decision.
2. That the Narragansett Bay Commission's June 30, 2015 motion for relief from order is hereby granted as requested.

DATED AND EFFECTIVE AT WARWICK, RHODE ISLAND ON JULY 1,  
2015.
