In Re: Petition of PPL Corporation, PPL Rhode Island Holdings, LLC, National Grid USA, and The Narragansett Electric Company for Authority to Transfer Ownership of The Narragansett Electric Company to PPL Rhode Island Holdings, LLC and Related Approvals

Docket No. D-21-09

PPL CORPORATION, PPL RHODE ISLAND HOLDINGS, LLC, NATIONAL GRID USA, AND THE NARRAGANSETT ELECTRIC COMPANY’S SUPPLEMENT TO STATEMENT OF EXISTING AND ADDITIONAL COMMITMENTS

Petitioners PPL Corporation (“PPL”), PPL Rhode Island Holdings (“PPL RI”), LLC, National Grid USA (“National Grid”), and The Narragansett Electric Company (“Narragansett”) have reviewed, evaluated, and carefully considered the direct testimony and the surrebuttal testimony filed by the Advocacy Section of the Division of Public Utilities and Carriers (the “Advocacy Section”), the direct testimony and the surrebuttal testimony filed by the Rhode Island Office of the Attorney General (the “RIAG”), the direct testimony filed by the Green Energy Consumers Alliance, Inc. (“GECA”), as well as the data requests served by the Advocacy Section, the RIAG, GECA, the Rhode Island Office of Energy Resources (“OER”), the Conservation Law Foundation (“CLF”), and the Acadia Center (“Acadia”). The Advocacy Section, the RIAG, and GECA have identified their concerns about the proposed transfer of ownership of Narragansett from National Grid to PPL RI and Narragansett becoming a part of PPL’s group of regulated utilities (the “Transaction”).

Petitioners have presented testimony and evidence in this matter that is sufficient to meet the legal standard for approval of the Transaction under R.I. Gen. Laws §§ 39-3-24 and 39-3-25.
Nevertheless, Petitioners seek to address the concerns raised by clearly stating the existing and additional commitments to Rhode Island. Those commitments were set forth in the Supplemental Statement provided on December 11, 2021 and are further supplemented by the commitment set forth below.

**Petitioners’ Commitments**

17. **Commitment regarding potential extension of the TSA:** PPL and National Grid agree and commit that the TSA will include terms that will extend the TSA beyond the initial two-year term as necessary to complete the successful transition to PPL. PPL and National Grid agree to provide transition reports to the Division at six-month intervals from the date of closing to the expiration of the TSAs, regarding the status of the transition and the progress made to complete the separation.
