Dear Mr. Bertuzzi,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on September 23, 2022 regarding the OSJL Woonsocket Ecology Rooftop Solar Project Generation Unit.¹ The documentation received indicates the facility began Commercial Operation on September 9, 2022, and the facility has the ISO MSS Asset Identification Number MSS73436, which will be the NEPOOL GIS Asset Identification Number.²

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 24188. Renewable Energy Certificates associated with the production of energy from the OSJL Woonsocket Ecology Rooftop Solar Project Generation Unit that are minted on or after September 9, 2022, are eligible for the Rhode Island Renewable Energy Standard.
