**Div. 2-4**: Please provide the number of residential customers as of each of the following dates: 12/31/2020, 12/31/2021 and 12/31/2022. Separately identify residential well customers.

**Response:** Residential customer accounts include residential structures with six dwelling units or less and all residential condominiums regardless of the number of dwelling units. Also, some well customer accounts may have more than one well. The number of dwelling units and wells fluctuate from month to month. NBC used a 12-month moving average for the number of residential dwelling units and wells.

## Narragansett Bay Commission RESIDENTIAL CUSTOMERS

| MONTH      | <b>DWELLING UNITS</b> | WELLS |
|------------|-----------------------|-------|
| 12/31/2020 | 120,177               | 306   |
| 12/31/2021 | 120,744               | 335   |
| 12/31/2022 | 121,134               | 325   |

**Div. 2-5:** Please provide the number of commercial customers at each meter size as of each of the following dates 12/31/2020, 12/31/2021 and 12/31/2022.

**Response:** The number of commercial meters fluctuates from month to month. NBC used a 12-month moving average for the number of commercial meters by size.

## Narragansett Bay Commission COMMERCIAL CUSTOMERS

| METER SIZE | 12/31/2020 | 12/31/2021 | 12/31/2022 |

| 10         |            | -          | -          |
|            | 238        | 239        | 235        |

**Div. 2-7**: Refer to the NBC Budget for FY2023 at page 12 which has the following table showing the FY 2022 and FY2023 Operating Budget:

### **Operating Budget**

(In Millions)

|                                      | FY 2022  | FY 2023  | Difference | % Change |
|--------------------------------------|----------|----------|------------|----------|
| Revenue                              | \$ 104.9 | \$ 107.0 | \$ 2.1     | 2.0%     |
| Expense                              |          |          |            |          |
| Operating Expense                    | 48.9     | 51.4     | 2.5        | 5.1%     |
| Debt Service                         | 41.5     | 41.2     | (0.3)      | (0.7%)   |
| Transfer to Project Fund             | 14.5     | 14.4     | (0.1)      | (0.7%)   |
| Expense and Transfer to Project Fund | \$ 104.9 | \$ 107.0 | \$ 2.1     | 2.0%     |

- a. Identify the number of customers and the level of customer usage (in HCF) that was used to develop the FY 2023 revenue budget.
- b. Please provide a breakout of FY 2022 and FY 2023 revenue and expenses for those Operating Budgets by account, similar to the presentation in NBC rate e Schedule 1.
- c. Concerning the Operating Expense amounts, please show in detail, preferably by account, what is included in the \$48.9 million FY 2022 amount, the \$51.4 million FY2024 amount and which significant items are causing the \$2.5 million increase?
- d. Is the FY 2023 budgeted operating expense of \$51.4 million comparable with the \$43.535 million FY 2022 test year Total Operating & Maintenance Expense or NBC's adjusted FY 2024 rate year adjusted amount of Total Operating & Maintenance Expense of \$52.046 from Schedule 1? If not, please identify, quantify and explain what items need to be added or removed from those Total Operating & Maintenance Expense amounts for them to be comparable with the FY 2023 budgeted Operating Expense amount.

a. Identify the number of customers and the level of customer usage (in HCF) that was used to develop the FY 2023 revenue budget.

### **Response:**

#### **FY 2023 REVENUE BUDGET**

| Number of Customers |           |  |  |  |  |
|---------------------|-----------|--|--|--|--|
| Residential         | 77,705    |  |  |  |  |
| Commercial          | 7,424     |  |  |  |  |
| Industrial          | 216       |  |  |  |  |
|                     |           |  |  |  |  |
| Consumption         | on (HCF)  |  |  |  |  |
| Residential         | 8,397,423 |  |  |  |  |

c. Concerning the Operating Expense amounts, please show in detail, preferably by account, what is included in the \$48.9 million FY 2022 amount, the \$51.4 million FY2024 amount and which significant items are causing the \$2.5 million increase?

**Response:** NBC assumes the Division is referring to the FY 2022 and FY 2023 budgets, not FY 2024. See response to DIV. 2-7b for the detail of the operating expense amounts by account for the FY 2022 and FY 2023 budgets.

Significant increases from FY 2022 to FY 2023 Budget

• The FY 2023 Personnel expense, which consists of employee salaries and wages, retirement, benefits and unemployment expense is \$1.0 million over the FY 2022 budget. The table below shows the FY 2023 budgeted Personnel expense by major component. Salaries and wages for union and non-union employees is \$913,537 higher than the prior year. This is due to a net increase of eight FTEs, as well as contracted COLA and step increases for union employees and merit increases for non-union employees. Budgeted retirement is \$137,918 or 2.7% higher and benefits are \$279,858 or 5.3% higher. The FY 2023 budgeted capital reimbursements are \$293,276 or 10.8% higher than the prior year and reduce personnel expense.

• The budget for Professional Services is \$2.3 million in FY 2023 which is 19.6% higher than the prior year. This increase is primarily driven by the budgeting of electronic payment transaction fees of \$0.6 million which increased the Other Services line-item budget by \$0.2 million or 34.1%. Regulatory expense increased by 14.6% or \$0.08 million for a projected increase in the annual PUC regulatory assessment. Management and Audit Services increased by \$0.05 million or 17.3% from the prior year and includes funding for human resource and legislative planning, as well as the procurement of a new auditing firm in FY 2023. The following table shows the professional services expense on a year-to-year basis.

This account only includes software subscriptions

A new account was added in FY 2023 which includes expense related to computer hardware, software and networking maintenance.

**Div. 2-8**: Page 12 of NBC's FY 2023 budget states that: "With respect to revenue, the FY 2023 budgeted revenue is \$2.1 million or 2.0% higher than the prior year. The increase is due to the return of customer behavior to pre-pandemic patterns and an across-the-board 0.56% sewer user rate increase, resulting in user fee revenue that is 1.8% higher than the prior year."

- a. As of what date was the across-the-board 0.56% sewer user rate increase effective?
- b. How has NBC reflected that across-the-board 0.56% sewer user rate increase in its development of rate year revenue at current rates in its filing? Explain fully and show calculations.
- c. What dollar amount of annual revenue is produced by that 0.56% sewer user rate increase? Please show calculations with your response.
- d. What dollar amount of annual revenue is reflected in the FY 2023 budget for "the return of customer behavior to pre-pandemic patterns"? Please show calculations with your response.

#### Response:

- a. The 0.56% across-the-board increase became effective on May 1, 2022. Although, due to timing, the increased rates were not assessed to customers until the June 2022 billing cycle.
- b. NBC reflected the across the board 0.56% sewer user rate in two ways:
  - 1. Test Year For the test year, NBC used this increase to develop a composite rate for the test year. This composite rate used 11/12 of the rate in effect as of July 1, 2019, and 1/12 of the rate effective 5/1/22, but not implemented until 6/1/22. Thus, the composite rate reflects elven months of the old rates, and one month of rates based on the 0.56% increase.
  - 2. Rate Year The rate year reflects twelve months of the rates based on the 0.56% increase. It does not use the composite rate. Please see the attached spreadsheet, which is also Schedule 6 associated with my pre-filed testimony and schedules. The field Rate Year Revenue at Adjusted TY Rates presents the rate year revenue and is calculated by multiplying the rates that result from the 0.56% increase (approved for May 1, 2022 and implemented on June 1, 2022) by the rate year billable units.
- c. \$559,418. Please see attachment for calculation.
- d. For determining its FY 2023 budget, NBC utilized a 12-month moving average of consumption fee revenue through February 2022. This average amounted to consumption

fee revenue of \$31.994 million dollars, which is comparable to the pre-pandemic fiscal year (FY 2020) consumption fee revenue of \$31.073 million. As a further comparison, FY 2021 consumption fee revenue was \$33.187 million, which was anomalous due to changes in consumer characteristics during the pandemic. Hence, the dollar amount reflected in the FY 2023 budget for "the return of customer behavior to pre-pandemic patters was \$1.192, or the difference between \$31.994 million and \$33.187 million.

Total User Fee Revenues

#### Div 2-9: Page 12 of NBC's FY 2023 budget states that NBC's:

"FY 2023 budgeted revenue reflects the reinstatement of late fee charges suspended by the Rhode Island Public Utilities Commission (PUC) in response to the pandemic."

- a. Does the above-quoted statement relate to the Late Charge Penalty Revenue that NBC records in account 45500? If not, explain.
- b. Please identify the amount of Late Charge Penalty Revenue recorded by NBC in each fiscal year, FY2019 and FY2018, that is comparable to the amounts shown on Schedule 2 for account 45500 for FY2020 of \$837,184 and for FY2022 of \$358,415.
- c. Please identify the amount of Late Charge Penalty Revenue budgeted by NBC for FY2023.
- d. When did NBC reinstate late fee charges?
- e. Please provide the monthly late fee charges through the present from the date identified in response to part d when such charges were reinstated by NBC.

### **Response:**

a. Yes

b.

| Fiscal  |              |
|---------|--------------|
| Year    | Actual       |
| FY 2018 | 796,362.00   |
| FY 2019 | 1,052,671.00 |
| FY 2020 | 837,184.00   |
| FY 2021 | -            |
| FY 2022 | 358,415.00   |

c.

| Fiscal  |            |
|---------|------------|
| Year    | Budget     |
| FY 2023 | 450,000.00 |

d. NBC reinstate late fees charges in February 2022.

e.

Prepared by: Leah Foster

**Data Requests** 

**Div. 2-10**: Refer to NBC Schedule 1, Lease/Subscriptions, accounts "Lease – Lease Payments" which shows a rate year amount of \$105,283 and account 57950, Lease Interest Expense, which shows a rate year amount of \$8,117 for a total of \$113,400.

- a. Has the \$113,400, or either component of it, for those lease items been included in NBC's proposed rate year revenue requirement of \$115,574,327 or in NBC's proposed rate year net income of (\$11,257,959)?
- b. If the response to part a is "yes" identify where those amounts are included in the determination of NBC's proposed rate year revenue requirement and net income.
- c. If the response to part a is "no" please explain why those amounts are not included.
- d. Do those lease amounts result from implementing new GASB lease accounting requirements, as suggested by the following statement at page 13 of NBC's FY 2023 Budget: "Lease/Subscription Expense is a new expense category this year based on the implementation of GASB 87 and GASB 96. The FY 2023 budget includes \$0.1 million for the wind turbine land leases in Coventry."?

#### Response:

- a. No. After further review of Schedule 1, it was discovered the total revenue requirement and net income did not include the Lease/Subscriptions expense, but it should be included in both.
- b. Lease amounts in the rate year revenue requirement.

2 leases x \$4,725/month x 12 months = \$113,400

The lease payments are allocated between principal and interest based on the guidance in GASB 87.

- c. N/A
- d. The accounting for leases changed in FY 2022 as a result of GASB 87. The lease payments prior to GASB 87 were all expense to rent expense.

Prepared by: Leah Foster

**Div. 2-11**: Work force levels. David Fox's direct testimony at page 3 states that: "the rate year salary adjustments are based on FTE's reflected in the test year salaries." Section 5.9.A.10 of NBC's filing shows the number of employees as 264 as of 7/1/2021 and 262 as of 6/30/2022 and 264 as the projected number of employees for FY 2024. Also, refer to NBC's responses to Division 1-18, 1-19 and 1-20 which requested the number of employees by job position.

- a. Please clarify the level of employees (or full-time equivalents, or FTE's) that NBC used to develop the FY 2024 rate year payroll costs, i.e., was it the 262 at 6/30/2022, the 264 at 7/1/2021 or some other level?
- b. How many net FTEs did NBC have at 12/31/2022?
- c. Please provide position listings similar to those provided in response to Division 1-18, 1-19 and 1-20 but which include totals for each fiscal year.
- d. NBC's response to Division 1-18 contains a listing of the number of employees in each position for FY2022. Adding up the number of employees by position on the four pages that constitute the FY 2022 listing produces a total of 331 employees for FY 2022. Does NBC agree that its response to Division 1-18 contains a listing that totals 331 positions? If not, how many positions does NBC believe are listed on its response for FY 2022 in its response to Division 1-18?
- e. Refer to Section 5.9.A.10 of NBC's filing which shows the number of employees as 262 as of 6/30/2022. Which of the approximately 331 listed positions on the FY 2022 listing that NBC provided in response to Division 1-18 were not filled as of 6/30/2022?

#### Response:

- a. The rate year payroll cost was based on the test year actuals and adjusted for known and measurable changes. (See Dave Fox Schedule 16)
- b. NBC had 268 filled out of 305 Budgeted FTE. See attachment DIV 2-11 b.
- c. The information that was requested and provided in response to DIV 1-18, 1-19, and 1-20 are the number of employees who had those titles during the year. A promoted employee would be listed in two categories. The list also included summer interns which are not included in our FTEs. NBC does not maintain our payroll record by job title and cannot provide dollars by job title.
- d. See response to DIV 2-11 c. It is not possible to reconcile between the roster and the report provided in response to DIV 1-18.

e. See Attachment DIV 2-11 E which is the roster that indicates the budgeted, filled and open positions as of 6/30/2022.

Div. 2-12: Work force levels. NBC's 2023 Budget at page 13 shows the following information:

The total number of Full-Time Equivalents (FTEs) included in the FY 2023 budget is 305. Budgeted turnover is unchanged from the prior year at 8.0 FTEs, resulting in 297.0 funded FTEs as shown in the following table.

| Budgeted FTEs                  |       |       |     |  |  |  |  |
|--------------------------------|-------|-------|-----|--|--|--|--|
| FY 2022 FY 2023 Change         |       |       |     |  |  |  |  |
| Total                          | 297.0 | 305.0 | 8.0 |  |  |  |  |
| Less: turnover (8.0) (8.0) 0.0 |       |       |     |  |  |  |  |
| Net FTEs                       | 289.0 | 297.0 | 8.0 |  |  |  |  |

- a. What number of net FTEs did NBC use to develop its proposed payroll expenses for the FY 2024 rate year?
- b. What number of net FTEs did NBC use to develop its proposed payroll expenses for the FY 2022 test year?
- c. What level of work force turnover did NBC experience in the FY 2022 test year?
- d. What level of work force turnover has NBC reflected for the FY 2024 rate year? Why do the figures listed as budgeted FTEs for FY 2022, total 297 less 8 for turnover for a net FTE level of 289 not agree with the FY 2022 figures on Section 5.9.A.10 of NBC's filing, which show the number of employees for FY 2022 to be 264 at 7/1/2021 and 262 at 6/30/2022? Identify, quantify and reconcile the apparent discrepancies in FTE 2022 FTEs versus number of employees from those two sources.

#### **Response:**

- a. See the response to DIV 2-11 a.
- b. The test year payroll expense was not developed. The test year payroll expense was left at test year levels which reflects actual turnover and unfilled positions.
- c. The workforce turnover for FY 2022 was 16.03%. By NBC using the test year payroll expense, the FY 2022 16.03% turnover and unfilled positions have been accounted for in its entirety in both the test year and rate year payroll expense.

|        | FY 2022   |           |            |     |             |   |        |  |
|--------|-----------|-----------|------------|-----|-------------|---|--------|--|

| Av     | erage FTE | 262       |            |     | 42          |   |        |  |
|        |           |           |            |     |             |   |        |  |
|        |           |           | Terminatio | ons | 42          | = | 16.03% |  |
|        |           |           | Average F  | ГΕ  | 262         |   |        |  |

d. The workforce turnover reflected in the FY 2024 rate year is the 16.03%. The 297 FTEs less 8 FTEs for a net FTE level of 289, which is the number of positions included in the budget. The 264 and 262 included on Section 5.9.A.10 are the filled positions out of the 297 budgeted position.

**Div. 2-13:** Please provide the Division 1-21 response attachment, which shows replaced positions, in Excel and include an update through 12/31/2022.

**Response:** The Excel file has been provided to the Service List.

**Prepared by:** Casandra Bennett

**DIV 2-14.** Please provide the Division 1-21 response list of employees and Capitalized Payroll attachments in Excel.

**Response:** The attachments sought in DIV 2-14 is from NBC's response to Division Data Request1-22, rather than 1-21.

- See Attachment DIV 2-14 List of Employees. Please note authorized positions on the list of employees by month is used for Human Resources internal tracking, not for budgeting.
- See Attachment DIV 2-14 Capitalized Payroll.

**Prepared by:** Casandra Bennett/Leah Foster

## **CERTIFICATION**

I hereby certify that on February 15, 2023, I sent a copy of the within to all parties set forth on the attached Service List by electronic mail and copies to Luly Massaro, Commission Clerk, by electronic mail and regular mail.
