RENEWABLE ENERGY STANDARD
ANNUAL COMPLIANCE FILING
FOR COMPLIANCE YEAR 2019
BY Obligated Entities
Pursuant to the Renewable Energy Standard Regulations

Compliance Filing Deadline

Pursuant to the Rules and Regulations Governing the Implementation of a Renewable Energy Standard, the *RES Annual Compliance Filing is due no later than July 15, 2020*¹

Applicable Regulations and Minimum Renewable Energy Resource Requirements

Rhode Island General Laws §39-26-1 *et seq.* and the Rules and Regulations Governing the Implementation of a Renewable Energy Standard (RES Regulations) promulgated pursuant thereto require that for Compliance Year 2019, all Obligated Entities shall obtain at least fourteen and half percent (14.5%) of electricity sold by the Obligated Entity to Rhode Island end-use customers inclusive of losses from Eligible Renewable Energy Resources. Specifically, no more than two percent (2%) of the retail electricity sales used to meet this obligation shall be from Existing Renewable Energy Resources and a minimum of twelve and half percent (12.5%) shall be from New Renewable Energy Resources. A table of target percentages is published at <http://www.ripuc.org/utilityinfo/RES-Annual-Targets.pdf>.

The electronic spreadsheet (MS Excel) versions of **both** Table One **and** the NEPOOL GIS Certificate documentations, along with a PDF of the Annual Compliance Filing must be submitted by email to the Commission. **Any information submitted in or attached to the Compliance Filing shall be considered public record unless specifically exempt pursuant to R.I.G.L. §38-2-2. An Obligated Entity or a party may petition the Commission pursuant to Rule 1.19(E) of the Commission's Rules of Practice and Procedure to request confidential treatment of certain information and exemption from the requirement of public disclosure.**

Compliance Filing Instructions

Mail an original of the completed *Annual Compliance Filing* to:

- (1) Including all applicable losses. The Commission utilizes The Narragansett Electric Company's (d/b/a National Grid) load data to verify against the load data reported by the Obligated Entity. Obligated Entities are encouraged to contact Narragansett to obtain this information.
- (2) Excluding those certificates for which voluntary green power marketing claims were made.
- (3) "Existing" Certificates limited to 2% of total RES Compliance; "New" Certificates (if available) applied to "Existing" Requirement if in shortfall.
- (4) If Alternative Compliance Credits are required, a receipt from the Rhode Island Commerce Corporation (RI CC) documenting the Obligated Entity's Alternative Compliance Payments for the current compliance year must accompany this filing.
- (5) Voluntary purchases reported must have their own sub-account in the NEPOOL-GIS and this subaccount must be identified in Column B.

SECTION 3: Certification

Sign and date both Certifications on this page.

In addition, provide documentation, in accordance with the instructions below – attaching, if applicable, Appendix A or Appendix B – that demonstrates the authority of the Authorized Representative named in Section 1.3 to certify and submit this *Annual Compliance Filing*.

Corporations

If the Obligated Entity is a corporation, the Authorized Representative shall attach **either**:

- (a) A Board of Directors vote granting authority to the Authorized Representative to execute the *Annual Compliance Filing*, **or**
- (b) A certification from the Corporation stating that the Authorized Representative is authorized to execute the *Annual Compliance Filing*, or is otherwise authorized to legally bind the corporation in like matters.

Individuals

If the Obligated Entity is an individual, that individual shall complete and attach APPENDIX A, or a similar form of certification from the Obligated Entity, duly notarized, that certifies that the Authorized Representative has authority to execute the *Annual Compliance Filing*.

Non-Corporate Entities

(Proprietorships, Partnerships, Cooperatives, etc.)

If the Obligated Entity is not an individual or a Corporation, the Authorized Representative shall provide APPENDIX B or other executed resolution indicating that the person named in section 1.3 has authority to execute the *Annual Compliance Filing*.

I hereby certify that the RI Renewable Energy Resource Attribute Certificates reported in this *Annual Compliance Filing* have not otherwise been, nor will be, sold, retired, claimed or represented as part of electrical energy output or sales, or used to satisfy obligations in jurisdictions other than Rhode Island.
