Re: Blackstone Valley Tourism Council MC-W-1165

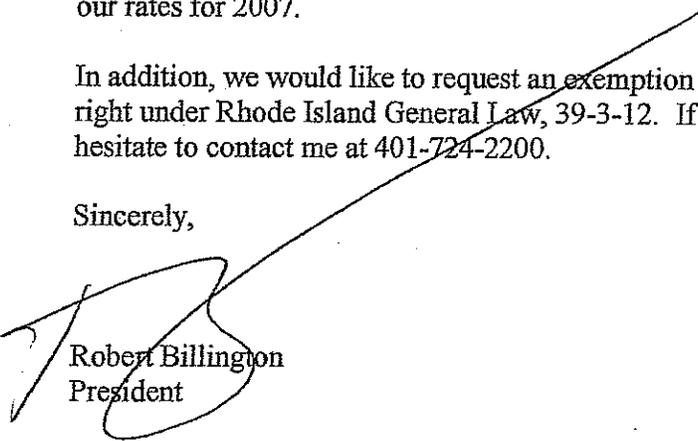

Dear Ms. Massaro:

The Blackstone Valley Tourism Council is requesting an increase in our public tour rates for the 2007-operating season beginning May 2007. Enclosed is a copy of our current rate schedule for the Blackstone Valley Explorer public boat tours. We are proposing to raise our adult rate from \$8.00 to \$10.00 and the senior/child rate from \$6.00 to \$8.00.

Last year was the first time in ten years that we have requested a rate increase to adult fare, and we made no increase to our senior/child rate. However, in order to keep up with escalating operational costs, we find it is necessary to once again request an increase in our rates for 2007.

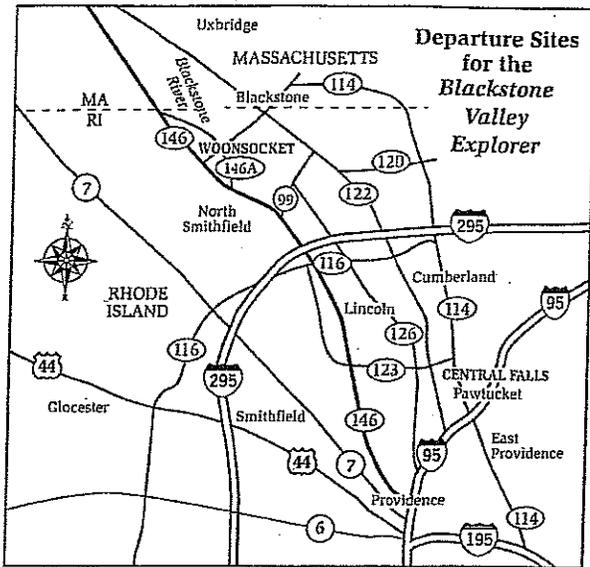

In addition, we would like to request an exemption of the public hearing pursuant to our right under Rhode Island General Law, 39-3-12. If you have any questions, please do not hesitate to contact me at 401-724-2200.

Sincerely,

Robert Billington
President
