<sup>1</sup> In order to be eligible for Movies or Sports, FiOS TV Premier or La Conexión is required. The Spanish Language package may be added to FiOS Local service, but requires a Set Top Box for access. The addition of a Set Top Box with FiOS Local service provides access to Video On Demand (VOD) and Pay Per View (PPV), as well as the ability to order Premiums and International Premiums.

<sup>2</sup> Router provided will be a new or fully inspected, tested and warranted return unit. If service is cancelled within the first 12 months, router must be returned or \$99.99 equipment fee applies. If you maintain service for twelve (12) consecutive months, ownership of the router shall transfer to you, after which time all maintenance of the router shall be at your sole cost and expense, and the risk of loss will be yours should the router be damaged or stolen.

<sup>3</sup> FiOS TV Premier includes all FiOS TV Local Channels, additional all-digital programming, digital music channels, and access to Pay Per View and Video On Demand. 30-day minimum billing period required for all digital packages.

<sup>4</sup> La Conexión includes all FiOS TV Local Channels, digital programming including popular English-language networks and Spanish language networks, digital music channels, and access to PPV and VOD. La Conexión cannot be combined with the Spanish Language package. 30-day minimum billing period required for all Premiums.

<sup>5</sup> Subscription VOD is included with all Premiums at no extra charge (where applicable). 30-day minimum billing period required for all Premiums.

<sup>6</sup> A premise visit charge is assessed when a technician installation is required to set up a new or additional TV with an existing FiOS TV Set Top Box. A premise visit charge is not assessed when adding new, upgrading/downloading existing, or disconnecting Set Top Box receivers.

<sup>7</sup> The Set Top Box disconnect charge is assessed only when the customer maintains at least one FiOS TV Set Top Box. If all Set Top Box receivers are disconnected, the service downgrade charge applies.

<sup>8</sup> The reconnect fee applies when establishing service after a service disconnect.

<sup>9</sup> Seasonal service suspension requires a minimum suspension of one month and a maximum suspension of six months.
