Dear Mr. Ahern:

Pursuant to Section 3.5(b) of the Division's Rules Governing Community Antenna Television Services ("Cable Rules"), Verizon New England Inc. ("Verizon") hereby notifies the Division that Verizon's cable system in Service Area Six will be ready to provide actual cable services to the public on or about June 5, 2007. At that time, Verizon expects to be able to provide cable services to over seventy-two percent (72%) of the residential households in Service Area Six.

Sincerely,

Alexander W. Moore
