

**Concise Explanatory Statement pursuant to RIGL §42-35-2.3**

A Division Order has granted a petition seeking to re-examine of Rule D(1) in *Rules and Regulations Governing the Transportation of Passengers via Public Motor Vehicles* which establishes a minimum allowable charge. The section under review was promulgated in response to a 2012 legislative mandate in which Rhode Island General Law §39-14.1-6 was amended to require the Division to establish minimum allowable charges for transportation services provided by public motor vehicles.
